

Hit all your CROP INSURANCE DEADLINES.

Crop insurance is an important risk management tool, but with all the application and reporting deadlines throughout the year, it can be easy to miss a step. Stay up to date with the deadlines you need to know throughout the year.

When are you planting?

SPRING

Includes corn, soybeans, spring wheat

FALL

Includes forages, winter wheat, apples, cranberries

POLICY DECISION DEADLINE

Your policy automatically renews every year. Changes cannot be made without your signature. At this date, you can:

- Apply for a new policy
- Transfer/cancel existing policies
- Change levels of coverage
- Change plans
- Add/delete crops
- Add/change options
- Select unit structure
- Entity changes

Contact your local insurance officer at Compeer to make changes to your current policy prior to these dates.
